EAT WELL!

The Patio Café was created as a place where people could enjoy eating right. In 1998, long before it was popular to be a "foodie", we opened with the hope of bringing the Fresno community a experience that was wholesome food in a warm and comfortable environment. We continue to work on that commitment and have partnered with local farms to bring you the best quality ingredients available. If you care about your body AND you enjoy eating great tasting, simple food, we hope you will dine with us regularly.

Breakfast is ALWAYS served all day and the sun is forever shining at The Patio Café!
